

The Role of the CCT Mentors

Ensuring

Ensuring that Six practice items (2+2+2) of each domain Reading/Scientific and Mathematical Literacy are attempted every week by students under them.

Confirming

Confirming that students allotted to them attempt the weekly practice Items on Diksha Portal

Organizing

Organizing Weekly doubt Clearing Sessions as well as discuss the answers of the six practice items with students

Maintaining

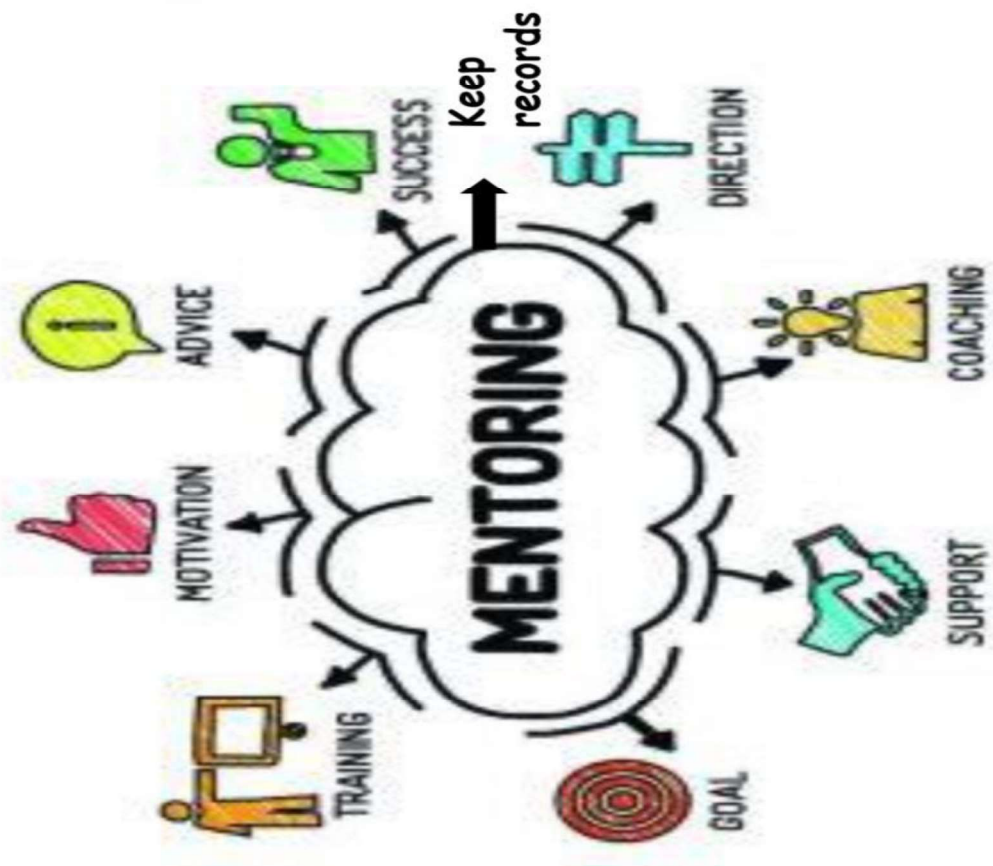

Maintaining a date wise record of attempt and performance of students

Motivating

Supporting guiding motivating, convincing, mentoring, Students to attempt CCT ITEMS every week for CCT RL/ML/SL

Fix one period Every Week for CCT Practice

**ROLE OF MENTORS:
SIGNIFICANT**

Ratio to be Maintained-- 1:20

Since the number of PISA eligible students is not in proportion to the number of trained Science/Math/English TGTs in many schools, **TGTs of SST and Hindi can be allotted mentorship of 20 students each.**
